

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

Это цифровая копия книги, хранящейся для потомков на библиотечных полках, прежде чем ее отсканировали сотрудники компании Google в рамках проекта, цель которого - сделать книги со всего мира доступными через Интернет.

Прошло достаточно много времени для того, чтобы срок действия авторских прав на эту книгу истек, и она перешла в свободный доступ. Книга переходит в свободный доступ, если на нее не были поданы авторские права или срок действия авторских прав истек. Переход книги в свободный доступ в разных странах осуществляется по-разному. Книги, перешедшие в свободный доступ, это наш ключ к прошлому, к богатствам истории и культуры, а также к знаниям, которые часто трудно найти.

В этом файле сохранятся все пометки, примечания и другие записи, существующие в оригинальном издании, как наименование о том долгом пути, который книга прошла от издателя до библиотеки и в конечном итоге до Вас.

Правила использования

Компания Google гордится тем, что сотрудничает с библиотеками, чтобы перевести книги, перешедшие в свободный доступ, в цифровой формат и сделать их широкодоступными. Книги, перешедшие в свободный доступ, принадлежат обществу, а мы лишь хранители этого достояния. Тем не менее, эти книги достаточно дорого стоят, поэтому, чтобы и в дальнейшем предоставлять этот ресурс, мы предприняли некоторые действия, предотвращающие коммерческое использование книг, в том числе установив технические ограничения на автоматические запросы.

Мы также просим Вас о следующем.

- Не используйте файлы в коммерческих целях.
Мы разработали программу Поиск книг Google для всех пользователей, поэтому используйте эти файлы только в личных, некоммерческих целях.
- Не отправляйте автоматические запросы.
Не отправляйте в систему Google автоматические запросы любого вида. Если Вы занимаетесь изучением систем машинного перевода, оптического распознавания символов или других областей, где доступ к большому количеству текста может оказаться полезным, свяжитесь с нами. Для этих целей мы рекомендуем использовать материалы, перешедшие в свободный доступ.
- Не удаляйте атрибуты Google.
В каждом файле есть "водяной знак" Google. Он позволяет пользователям узнать об этом проекте и помогает им найти дополнительные материалы при помощи программы Поиск книг Google. Не удаляйте его.
- Делайте это законно.
Независимо от того, что Вы используете, не забудьте проверить законность своих действий, за которые Вы несете полную ответственность. Не думайте, что если книга перешла в свободный доступ в США, то ее на этом основании могут использовать читатели из других стран. Условия для перехода книги в свободный доступ в разных странах различны, поэтому нет единых правил, позволяющих определить, можно ли в определенном случае использовать определенную книгу. Не думайте, что если книга появилась в Поиске книг Google, то ее можно использовать как угодно и где угодно. Наказание за нарушение авторских прав может быть очень серьезным.

О программе Поиск книг Google

Миссия Google состоит в том, чтобы организовать мировую информацию и сделать ее всесторонне доступной и полезной. Программа Поиск книг Google помогает пользователям найти книги со всего мира, а авторам и издателям - новых читателей. Полнотекстовый поиск по этой книге можно выполнить на странице <http://books.google.com/>

Harvard College Library

FROM THE

BRIGHT LEGACY

One half the income from this Legacy, which was received in 1880 under the will of

JONATHAN BROWN BRIGHT

of Waltham, Massachusetts, is to be expended for books for the College Library. The other half of the income is devoted to scholarships in Harvard University for the benefit of descendants of

HENRY BRIGHT, JR.,

who died at Watertown, Massachusetts, in 1686. In the absence of such descendants, other persons are eligible to the scholarships. The will requires that this announcement shall be made in every book added to the Library under its provisions.

MINISTRY AND CHURCHES OF NEW HAMPSHIRE,

Congregational and Presbyterian.

A STATISTICAL REGISTER.

PART I.

TOWNS, CHURCHES, AND PASTORS.

NOTE PREFATORY AND EXPLANATORY.

THIS Register has grown out of inquiries into which the writer was led while serving the General Association of New Hampshire as Statistical Secretary. We have endeavored to make it full and accurate, and not a few dates long forgotten are recovered, and current errors corrected. As to remaining deficiencies, those who are most familiar with the careless way in which too many church records are kept, and the difficulty of supplying their omissions from other sources, will judge our work most charitably.

In this First Part the towns are arranged alphabetically, and also numbered for convenience of reference in the Second Part. In the first column is given, under each town, the date of charter or incorporation, important changes of name, the population in 1870, the date of organization of the church, and of other churches, chronologically. In succeeding columns are the names of all pastors and of all acting pastors whose labors continued a year or more, the dates of settlement and dismission, and the length of service. Under "Settlement," "o" indicates ordination, "i" installation, and "a" such as were not there ordained or installed. A star prefixed to a church indicates that it is extinct; to a date, in the fourth column, that the minister died in office.

The final column, giving time of service, could not be made very exact, and we have only indicated the nearest year or half-year. It would have been easy, in the case of pastors, to set down the difference between the dates of settlement and dismission; but often this method leaves an important fraction out of account. For instance, at Portsmouth, this rule would make Mr. Moody's ministry twenty-six years, instead of thirty-eight, omitting the first third of it, during which the church was not organized. In another instance, a ministry of six years would in like manner be reduced to one. When a preliminary service of years results in the pastoral relation, there is a manifest justice in crediting those years to it; and when a pastor retires from his field to other labors, and is not formally dismissed for years after, those years should not be accounted. In this table we have made allowance, as far as our information goes, for these fractions.

In some cases an earlier beginning of service is mentioned after the name; but in general, when the time does not correspond with the dates given, it is not to be taken for an error, but as a more exact statement of the facts.

For completeness, the names of all towns are included; and to save space, the names of some towns having no ministers are set in the first column against a succession of ministers in the second column, which belong to the town before or after. The heavy rule indicates such cases.

MINISTRY AND CHURCHES OF NEW HAMPSHIRE.

PART II. — ALPHABETICAL CATALOGUE OF MINISTERS.

INTRODUCTORY NOTE.

THIS Second Part of the Register consists of an Alphabetical Catalogue of all the names of ministers in the First Part, with such memoranda as could be grouped within the limits of the table. We have also included, on account of their intimate relations with these ministers, the ordained Presidents and Professors of Dartmouth College, of Gilmanton Theological Seminary, of Kimball Union Academy, and two or three other eminent instructors.

We have sought fulness and accuracy, with what success we leave to the judgment of others. Any one who deals with names and dates knows how inevitably errors will creep into the most careful work. He is often left to a simple choice between authorities which seem equally good, with no means at hand of original verification. As to fulness, we may say that we give full birth memoranda of every present minister in the State, save one, whose birth-date is unknown. Of others now living, all but one are given, and this one lacks only the month and day. Of the dead, we have full birth data of all but 71, and of these the place and year in 45 cases, leaving 26 cases only in which the year is not known. Of these, more than one half were not born in this country, and nearly all were born more than one hundred years ago. The record of deaths is more full; so that in the matter of the average length of life of New England ministers, we may claim for this Register no slight value. Early Dates are given generally, if not uniformly, in New Style.

It is obviously impracticable to give our authorities in all cases; but some general statement is proper. The sources from which we have drawn most largely are, the Memoranda of Mr. John Kelly, published in Farmer and Moore's *Collections*; John Farmer's *List*, in Vol. VI, *American Quarterly Register*, and the Ecclesiastical Statistics in other volumes of the same Register; Lawrence's *New Hampshire Churches*; Chapman's *Dartmouth Alumni*; Sibley's *Harvard Graduates*, together with his invaluable memoranda yet unpublished; a MS. List prepared by Dr. Bouton thirty years since; the General Catalogue of Andover Theological Seminary and the Catalogues of other Seminaries, as well as College Triennials, the Statistical Tables of the Gilmanton *N. H. Repository* and the *Historic and Genealogical Register*. Besides this, friends too numerous to mention have searched town, family, and other records, and are entitled to our hearty thanks; and we would acknowledge the special aid received from Rev. Samuel L. Gerould, Rev. F. D. Ayer, Rev. Dr. Quint, Dea. E. F. Duren, Rev. A. W. Wild, Rev. William H. Moore, and Mr. Franklin B. Dexter.

EXPLANATIONS. — 1. Column First gives the full name, spelled according to the later usage — so far as known — of the man himself. 2. Column Second gives the birth-place, town, and State, and date. When no State is mentioned New Hampshire is to be understood. 3. Column Third gives collegiate and theological education. The abbreviations of the names of Institutions are explained at the close of the Catalogue. A dash following college initials shows that the man did not graduate. The same fact is indicated by a dagger after a seminary initial. If the name of an institution has been changed, the present name is used. In cases of private theological study, the name of the Instructor is given when known. 4. — In Column Fifth, numbers, referring to the towns in Part First, are used when there is not room for the name itself. The letter "a" after these names, shows, as in Part I, that the man was not there ordained or installed. A star following a name indicates that that ministry was closed by death. Places are arranged in the order of time. 5. In Column Sixth, when the fact of death is certain but the date unknown, a star is inserted. The letter "a" following a date or number implies a near conjecture, the exact fact being unknown; and a "?" after a date or place indicates doubt. In some cases additional notes are needed, referring to authorities and vindicating the text. Such notes are arranged alphabetically at the end, and are referred to by the "[n]" in the table. It would be easy to multiply them, but limitations of space have made them few. Useful summaries and a discussion of the statistics as a whole, we reserve for a future paper.

A few errors in names and ordination dates in Part I are here corrected, and whenever disagreement is noticed Part II is to be accepted as the better authority. Four or five acting pastors of a year or two, omitted in Part I, are here properly credited. The only names added to the list for this reason are those of Clark Perry, Leander Thompson, and Nathan Waldo.

N. B.—The catalogue of Princeton Seminary designates classes by their first, instead of their last year. These dates are changed in our list to conform to the general usage.
 When the year of a partial course in any seminary is given it is the year when the class contemporary graduated, and may be later than the student's actual residence there.

NOTES.

- ALLEN, EBENEZER. Farmer puts his birth in 1746, but he had a brother born that year. Harvard College Records give the date of the text.
- BEADE, THOMAS. Sprague's *Annals* say he was born in Sandwich, but are probably incorrect. An early residence often gains currency as a birth-place.
- BENNETT, SALMON. This gentleman, now residing in Sherman, Chautauque County, New York, was ordained earlier than any other on the list, "*qui supersunt adhuc*."
- BROCK, JOHN. The researches of Mr. Sibley (*Harvard Graduates*) indicate that Mr. Brock was later and longer at Gosport than was stated in Part I.
- BROWN, CLARK, was baptized with a brother John, 1774, Oct. 2. A sister, probably infant, was baptized in *September* previous. John's name stands first, probably as the older, from which we infer that Clark was born about 1772.
- BROWN, JONATHAN. Farmer says he was born in Madbury, and we think he must be right, although Parker's *Derry, Dartmouth Alumni*, and all other authorities say Pittsfield. Chichester, from which Pittsfield was taken in 1732, was not settled until 1755. If he was 80 years old at death, he must have been born in 1757, or the very first of January, 1758; and his birth could not have been in the forests of the unsettled wilderness. If Dr. Chapman is right in giving his age as 78, and his birth in 1759, the probability is somewhat modified; but his monument gives the age 80. His father was one of the first settlers of Pittsfield.
- BURGESS, DYER. In Part I this name is given Burge, and we leave it standing out of its true alphabetical place for this reason and that the brothers Caleb and Dyer be not separated. Both are included in the *Burgess Genealogy*. Their father removed, in 1783, from Connecticut to Vermont, and at that time the "es" fell into disuse. About the time of his removal from New Hampshire to Ohio, 1817, Dyer and other members of the family resumed the "es," but Caleb, having become known as an author (he wrote the well-known treatise on the Atonement), did not choose to make the change. Dyer spent his life in Ohio, in a very honored and useful ministry.
- COLBY, JOHN. *Dartmouth Alumni* and *New Hampshire Churches* give this birth-date differently. Our authority is Mr. Colby.
- COLTON, CHESTER. This birth-date is taken from Cothren's *Ancient Woodbury*, for which it was furnished by Rev. Willis S. Colton, from his father's family record. The daughter with whom he died in Ohio gives us the death date. It is upon his monument.
- CUTTER, ADONIJAH H. The *Cutter Family* gives his birth in 1808. His widow says, 1806, and this seems the more probable in comparison with the birth dates of his brothers.
- EMERSON, JOHN, was probably not ordained in 1695, at Manchester, Mass., as some authorities have it; no church was organized there until 1716.
- EMERY, STEPHEN. Coffin's *Newbury* claims this man as a native; but Stephen Emery of Newbury, was born 1715; while the Harvard graduate and Nottingham minister died in Chatham, Mass., as the text states, according to his monument, and he certainly entered college from Exeter.
- FISH, HALLOWAY. He wrote his own name with "a," not "o," in the first syllable.
- GANNETT, ALLEN writes, that he was born in June, not as *Dartmouth Alumni* has it.
- HITCHCOCK, WM. D. The Family Record gives this birth-date. The monument differs.
- HULL, JOSEPH. Rev. Dr. Quint says this man was at Durham, and removed to Gosport in 1662. He doubtless succeeded Emerson there, instead of preceding him.
- HYDE, SAMUEL. That the Samuel Hyde born in Newton, as stated, is the same man as the Madbury minister is not certain, but seems probable. The evidence points to Newton as his birth-place; and of several Samuel Hydes, born in Newton, as recorded, this one best meets the conditions.
- LEVERICH, WILLIAM. Mr. Riker, the historian of Newtown, Long Island, and a descendant, says that this is the way he wrote his own name.
- PEABODY, STEPHEN. Harvard College Records fix the date of birth in 1742; but his monument, and Dr. Felt, his son-in-law, say 1741, as does the Peabody Genealogy in the *N. E. Historic and Genealogical Register*.
- PIDGIN, WILLIAM. The printed Ordination Sermon has the date given; other authorities say Jan. 27.
- PRENTICE, NATHANIEL. This date is reported both as birth and baptismal. We suspect the latter is the truth.
- SECOMBE, JOSEPH. This birth-place and date are from Boston Records, and are confirmed by Harvard College Records. Brooks, followed by Savage, gives Medford as birth-place; but suspiciously, without date, and is doubtless mistaken. If there was a Joseph in the Medford family, this could not have been the same man.
- SMITH, ELI and JOHN. The old Belchertown Record of Births gives the dates of birth of these brothers differently: Eli, 1759, Aug. 26, and John, 1766, Feb. 22. We do not venture to change the dates everywhere else given, but submit the question.
- STONE, S. M. *Dartmouth Alumni* is in error in giving Fitzwilliam as his birth-place.
- WATERS, CORNELIUS. His birth and death dates are reported with various errors. Our authority is Mr. K. F. Waters, of the *Boston Advertiser*, his grandson.
- WHEATON, GEORGE. Harvard College Records say he was born in 1749, but must be in error, as his parents were not married until 1750. Farmer said of him, that "he was probably the youngest clergyman who ever died in New Hampshire." Is not the statement still true, and for the whole country?
- WHEELWRIGHT, JOHN. Hon. Charles H. Bell, President of the N. H. Historical Society, who has made a special study of the whole subject, says that after his return from England he certainly wrote his own name as we give it.
- WILLIAMS, SIMON F. Lancaster's *Gilmanton* says that he died in 1802.

MINISTRY AND CHURCHES OF NEW HAMPSHIRE.

SUPPLEMENT.

THE previous articles under this head invite a grouping of summaries and related statistics, and some of the more obvious and important are here presented. It would be easy to expand them did space permit.

We offer, not history, but simply some useful material for the historian. To him we leave the inviting work of gathering the details of biography and incident, canvassing spiritual forces and results, and giving to all their appropriate setting.

Towns and Churches. — Of the 235 towns in New Hampshire, 153 have Congregational or Presbyterian Churches, — one or more. In 25 towns such churches once existed, but are now extinct, and in 47 there has never been such a church.

Early Churches. — The church in Hampton was first organized in Lynn, Mass., in 1636, and removed to Hampton in 1638. This was the first church existing in New Hampshire. The Dover church was formed in December, 1638, and was the first church *organized* in the State. In January, 1639, persons were dismissed from the first church in Boston to form Wheelwright's Exeter church which was, however, soon broken up by Wheelwright's removal to Wells, Me. For thirty years — from 1641 to 1671 — Hampton and Dover churches stood alone. Exeter, however, had a minister — Samuel Dudley — thirty-three years. Joshua Moodey ministered in Portsmouth, without a church, fourteen years before his church was organized in 1671. The next church in the State was formed at Dunstable in 1685, — now the First Church in Nashua, — and it is not certain that any other preceded 1700. New Castle may have had a separate church earlier than Mr. Emerson's ordination in 1703, but it seems most likely that it was formed at that time. If Gosport had a church, as is nearly certain, its date would be about the same time. Then follow Greenland, 1706; Hampton Falls, 1711; Newington and the Second Church, Portsmouth, 1715; Durham and Stratham, 1718; Londonderry (now Derry), 1719; Kingston, 1725; Rye, 1726; and Somersworth and Plaistow, Concord and Newmarket, in 1730. These, with Exeter, reorganized in 1698, make twenty churches in 1730.

Number of Churches and Pastors. — The following table gives the number of churches and pastors, and, after 1800, the acting pastors, for each fifth year since 1730: —

YEAR.	CHURCHES.	PASTORS.
1735	23	20
1740	34	32
1745	41	39
1750	44	39
1755	48	39

YEAR.	CHURCHES.	PASTORS.	ACTING PASTORS.
1760	56	47	
1765	66	60	
1770	75	67	
1775	100	80	
1780	114	79	
1785	117	84	
1790	126	97	
1795	136	101	
1800	138	108	7
1805	145	114	6
1810	146	101	3
1815	153	103	6
1820	160	100	7
1825	162	104	15
1830	177	113	15
1835	181	109	23
1840	184	115	36
1845	187	129	28
1850	190	109	45
1855	193	102	48
1860	196	9	62
1865	193	80	77
1870	194	7 ^a	67
1875	196	10	69

Extinct Churches.— Fifty-three churches have, by union with others, or decay, been dropped from the roll; and as it is not easy to fix the date in the cases of decay, some of the figures of the above table may need slight correction on that account.

Presbyterian Churches.— Of the churches in this State twenty have been Presbyterian, possibly two or three more. Six remain Presbyterian and are connected with the Boston Presbytery, — Antrim, Bedford, Litchfield, Londonderry, New Boston, and Windham. Two are extinct, and the others have become Congregational, in some cases through a new organization.

Unitarian Churches.— Of the churches once associated, five have become Unitarian, — Charlestown, Dublin, Peterboro', Portsmouth, Second Church, and Wilton. In Fitzwilliam and in Walpole a majority of the church seceded from the town, or society, which became Unitarian. As a majority, each must justly be held and reckoned the original church.

Present Total.— The whole number of these churches is, as now reported in the Minutes for 1875, one hundred and ninety-three.

Number of Church Members.— No data are known to exist from which any probable estimate can be formed of the membership of these churches previous to 1820. Many of the churches have no early records, and in the few cases where such records do exist, a list of all the members at any date is scarcely to be found. The organization of the General Association in 1809 soon led to the custom of an annual report of the churches; at first scanty and imperfect, but gaining fulness and accuracy.

As perhaps the best practicable summary under this head, we reproduce a table from the Minutes of 1873:—

YEAR.	POPULATION.	CHURCH MEMBERS.	PROPORTION.
1820	244,022	12,626	1 to 19.3
1830	269,328	14,867	1 " 18.1
1840	284,574	22,082	1 " 12.9
1850	317,976	17,606	1 " 18.0
1860	326,073	20,200	1 " 16.1
1870	318,300	19,185	1 " 16.6

Associations and other organizations.—The earliest known association among these churches or their pastors was a Ministers' Meeting, formed in Bradford, Mass., 1719, June 3, which met regularly seven times each year, and included half a dozen New Hampshire members.

In 1747, July 28, there was formed at Exeter The Convention of Ministers in the Province of New Hampshire, which served as a useful bond of union for sixty years. Its records, existing in manuscript, ought to be printed. From 1760 to 1785 it met in Portsmouth, and was known as the Convention of Ministers at Portsmouth. After 1785, it met in the place where the Legislature convened. In 1833, it became the Pastoral Convention of New Hampshire, and met annually in Concord, until June, 1860.

Two years earlier, 1745, April 16, the Boston Presbytery was formed at Londonderry, embracing churches in Maine and Massachusetts, as well as New Hampshire. This body was divided at Seabrook, 1775, May 31, into the Salem, Londonderry, and Palmer Presbyteries, which were joined in the New England Synod, the meetings of which were commonly in Londonderry. But in 1782, Sept. 11, the Synod dissolved and became the Salem Presbytery. In 1793, October, it became the Londonderry Presbytery. After the reunion of the two General Assemblies, 1870, June 21, it became as it was originally, the Boston Presbytery.

There was also, soon after 1771, a Grafton Presbytery organized under the influence of Pres. Wheelock, embracing churches near Hanover, on both sides of the Connecticut River. Its existence was brief, and its records are not to be found. We hope soon to give a fuller account in the *Quarterly* of what can be gleaned of its curious history.

The oldest existing association is the Hollis, which was formed 1762, May 5. The Haverhill was organized 1779, Aug. 19, including Massachusetts and New Hampshire members, but was gradually limited to New Hampshire, and became the Derry, 1834, May 7, uniting with the Manchester, 1861, Feb. 5, which had been formed in 1846.

The Piscataqua was in existence 1781, Oct. 24, and the record implies an earlier origin. The Northern was formed 1788, Aug. 29, and became the Hopkinton, 1806, Oct. 15; and the Monadnock was organized 1793, Aug. 5. One other, the Amherst, was earlier than 1800, and probably formed about 1780, and existed not far from forty years; but its records are lost, and no exact dates can be given. It was never represented in the General Association.

The Orange was formed 1801, Oct. 7, and like most associations on the Connecticut included both sides of the river. Its Northern Branch became the Coos, 1811, Jan. 9, which changed its name to Caledonia, 1826, Oct. 3, and ceased its connection with New Hampshire in 1860.

The Plymouth was formed in 1806, and united with the Tamworth (of undiscovered date) in the Harmony, 1834, March 4. The Deerfield was organized before 1809, and became the Suncook, 1856, Sept. 4. An Exeter Association existed for a few years after 1811, and was represented in the General Association until the Piscataqua came into the movement for a State body — which for some years it did not do; — then after 1818 it disappears.

Union Association was formed 1812, Dec. 18; Windsor, 1822, Oct.; Sullivan, 1829, May 24, the two latter having entered into a working union in 1871.

The Lancaster was formed 1833, Aug. 13. The Belknap, 1841, April 20. And the White River, 1845, Oct. 14, but was not represented in the New Hampshire General Association till 1863.

The General Association of the Congregational and Presbyterian Churches in New Hampshire was organized in Concord, 1809, June 8, by delegates from the Deerfield, Hopkinton, Orange, and Plymouth Associations. Measures looking to this result had been taken at the meeting of the Pastoral Convention at Hopkinton, in 1807, when a Committee of Correspondence was appointed, and renewed in 1808.

The other associations united in it, and they remained its sole constituent bodies until 1859, when after discussions, running through several years, lay delegates from the County Conferences were admitted, and it was made more directly representative of the churches.

These County Conferences of churches had been in existence about thirty years, their organization being shown in the following table: —

Cheshire, 1829, Oct. 4.
Grafton, 1828, Jan. 2.
Merrimac, 1827, June 27.
Strafford, 1828, June 24.

Coos, 1833, Feb. 19.
Hillsboro', before 1827, June 12.
Rockingham, 1837, June 20.
Sullivan, 1826, Nov. 11.

Sullivan, the earliest, was first a Circular Conference. In Rockingham County two Conferences, East and West, had previously existed and were united.

As early as 1770 the Convention had taken action in reference to supplying the religious destitutions of the State, and had employed a few missionaries for short periods; and the Piscataqua and other associations had also sent out missionaries to the new settlements.

The New Hampshire Missionary Society was organized at Hopkinton, 1801, Sept. 2. At the annual meeting of the Pastoral Convention in June of that year, several ministers held a consultation upon the subject and issued a call, in pursuance of which a convention of ministers and laymen met for this purpose.

Ministers. — Part II of this register includes, in the list of ministers, 1,207 names. Of these, 907 were pastors, 276 were acting pastors, and 24 were neither, but intimately associated with the churches as Presidents and Professors of Dartmouth College, etc. The nativity of these ministers is shown in the following table : —

Massachusetts	475	Rhode Island	7
New Hampshire	291	Ohio	6
Connecticut	115	Canada Dominion	6
Vermont	105	New Jersey	4
Maine	85	Michigan	1
Great Britain	54	Indiana	1
New York	32	Maryland	1
Pennsylvania	11	South Carolina	1
Doubtful	11	At Sea	1

Dividing the doubtful cases, only 125 were born out of New England, and Massachusetts and New Hampshire furnish almost two thirds of the whole number.

In April, 1876, there were deceased 686, and still living 521. The average age of the dead, as far as known, is 64.48 years. The 293 ministers who were ordained before 1800 averaged 66.55 years; of those ordained since 1800, the average age of the dead is 62.90. It is not to be inferred that the average age of ministers has fallen off so much in this century. Not till this entire generation, with all its longest-lived members, has passed away can a just comparison be drawn. When the nineteenth century is compared with the eighteenth in this particular, by some future investigator, the average age for the two periods may be found to be very nearly the same.

Education. — The education of these 1,207 ministers affords interesting suggestions. Of the whole number, 897 were college graduates, and 41 pursued a partial course in college.

Six of the early ministers were from Cambridge, Eng., the sympathy of which with freedom and progress was then, as always, so much more thorough than that of conservative Oxford. Then came the long and for many years almost unbroken succession of Harvard graduates led by Seaborn Cotton, although John Brock and Joshua Moody were earlier in college. From 1659 to 1733 Harvard furnished every pastor ordained in New Hampshire, 32 in number, except James McGregore, and in 1774, when the first Dartmouth graduate, Augustine Hibbard, was ordained, Harvard had given the State 123 pastors. In all she has supplied 185 pastors and 10 other ministers, including 3 non-graduates.

The next important source of supply is Yale College, of which Joseph Ashley, in 1736, was the first representative, and Pres. Wheelock the second in order of graduation. The Yale classes of 1757-8 sent six pastors to New Hampshire, — Burroughs, Noble, Leavitt, Niles, Olcott, and Sumner. The whole number from Yale has been 78 pastors and 15 other ministers, of whom 4 did not graduate.

In 1756 Dr. McClintock came from the College of New Jersey, the first of twelve pastors furnished by that institution.

Dartmouth College sent out its first class in 1771, and of this class Sylvanus Ripley became pastor at Hanover, as well as professor in the college. Hibbard, of the next class, was however the first Dartmouth graduate ordained in the State. In 1866 the number of pastors from Dartmouth had become equal to those from Harvard. The whole number from Dartmouth is, pastors, 213, other ministers, 58, of whom 10 are non-graduates.

The following table groups data of the principal colleges. Others which have furnished less than ten ministers may be referred to by the list of abbreviations on page 63.

COLLEGE TABLE.

COLLEGES.	Total.	Graduates.	Pastors.	Grad. Pastors.
Amherst	102	97	68	65
Bowdoin	47	47	26	26
Brown University	37	36	27	26
Dartmouth	271	261	213	210
Harvard	195	192	185	183
Middlebury	49	48	38	37
Princeton	13	12	12	11
Union	11	11	9	9
Vermont University	18	17	13	12
Williams	38	37	33	32
Yale	93	89	78	74
Other	64	50	51	40
Total	938	897	753	725

SEMINARY TABLE.

SEMINARIES.	Total.	Less.	Graduates.	Pastors.	Grad. Pastors.
Andover	384	26	303	231	227
Auburn	13	3	7	10	5
Bangor	108	7	97	66	60
Chicago	5	1	4	5	4
Gilmanton	41	5	35	33	29
Hartford	27	7	20	17	12
Harvard	6	0	6	6	5
Lane	8	2	6	6	4
Oberlin	3	0	3	1	1
Princeton	20	4	8	14	4
Union	61	13	42	44	27
Yale	27	3	24	21	18
Total	703 71 632	71	555	503	396

The second column in the Seminary table shows the deduction to be made for names repeated, and belonging more properly to a different institution. These, taken from the total, show 632 as the number who have been educated wholly or in part in these Seminaries. Of the 907 pastors 503 have been in a Seminary and 396 graduated.

Of those who studied theology privately, as all did before 1812, eighteen were pupils of Dr. Emmons and nine of Dr. Burton. The first Andover student ordained in the State was Seth Chapin. He was not a graduate, however, and to Richard Hall belongs the distinction of being the first graduate, both from Andover, and Middlebury College, to be settled in New Hampshire.

Pastorates. — Nine hundred and seven different pastors have served these churches. One hundred have been installed twice; 13 three times, and one has been pastor of four churches. Adding, we have 1,036 pastorates, of which 600 began with ordination and 436 with installation. 173 pastors have died in office and 797 have been dismissed, leaving 77 in service. The average length of the 970 completed pastorates is 12 years, 5 months, and 16 days; of the 182 terminated before 1801, 18 years, 2 months, and 7 days. This comparison illustrates the briefer term of the modern pastorate; but it comes out more forcibly in the fact that as many have been completed since September, 1838 (a period of less than 38 years), as in the 200 years previous; while of the 173 who died in office, only 40 have done so in the latter period, and one half of all died before 1810.

Appropriate distinction is given by the following table to —

PASTORATES OF FORTY YEARS OR MORE.

Ainsworth, Laban, Jaffrey. 75.*†	Cushing, Jonathan, Dover. 52.*†
Adams, Joseph, Newington. 68.	Kidder, Joseph, Nashua. 52.*†

 Bradford, Ephraim P., New Boston. 40.*
 Total, 67.

Twenty-nine pastors have held their office 50 years or more, and only one of these was dismissed, Mr. Adams, of Newington, and 25 had colleagues.

Thirty-eight pastorates extend from 40 to 49 years, including 17 cases of dismissal and 9 of colleagues.

Dr. Barstow was the last representative of the half-century pastors. Dr. Bouton was the last and is the only surviving pastor of 40 years' service. Mr. Buxton's name may be added to the list, if his resignation offered last year is not acted upon, for another.

Fifty-five pastors have served from 30 to 40 years, and 101 have served from 20 to 30 years, including in the latter 10 who were not installed. This makes 223 in all whose ministry exceeded 20 years.

Of kindred interest is the following list of those who reached the distinction of being, each in his time, the oldest pastor in the State.

Leverich, William. 1633.
 Bachiler, Stephen. 1638.
 Wheelwright, John. 1641.
 Dalton, Timothy. 1642.
 Dudley, Samuel. 1662.
 Cotton, Seaborn. 1683.
 Moody, Joshua. 1686.
 Pike, John. 1697.
 Cotton, John. 1710.
 Rogers, Nathaniel. 1710.
 Odlin, John. 1723.
 Allen, William. 1754.
 Adams, Joseph. 1760.
 Pike, James. 1783.
 Flagg, Ebenezer. 1792.
 Bailey, Abner. 1796.
 Emerson, Daniel. 1798.
 Haven, Samuel. 1801.
 Farrar, Stephen. 1806.
 Gay, Bunker. 1809.
 Fessenden, Thomas. 1810.
 Kidder, Joseph. 1813.

Burnap, Jacob. 1818.
 Wood, Abraham. 1821.
 Haven, Joseph. 1823.
 Porter, Nathaniel. 1825.
 Wood, Samuel. 1836.
 Ainsworth, Laban. 1836.
 George, Enos. 1858.
 Barstow, Zedekiah S. 1859.
 Buxton, Edward. 1873.
 John Odlin was the senior pastor for 31 years.
 Joseph Adams, of Newington, 23 years.
 Laban Ainsworth, 22 years.
 Samuel Wood held the distinction less than 2 months, and John Cotton but 17 days.
 William Leverich was not a Pastor, but he was the first minister in the State, laboring before any church organization existed.
 Samuel Dudley also was not Pastor, because the court interdicted the organization of a church, but he was senior minister 21 years.

Centenarians.—John Sawyer reached the age of 103 years; Laban Ainsworth that of 100 years; Stephen Bachiler was probably 100.

Sixteen died when between 90 and 100 years of age.

* Died in office.

† Had colleague.

ERRATA.

We add a list of such errors as have been noted in the previous articles. Where a name or date is given with no explanation, some error will be found in the text. A large share of the errors noted in Part I are corrected in Part II. For some of these mistakes we accept our full responsibility; but it is only just to say that a large share of them were copied from authorities which we could not at the time question or suspect. The more one deals with figures the more he becomes suspicious of any but original sources. And even family records and tombstones are not always to be trusted.
